Why I Should Not Refuse to answer about other Bank Robber

1. Newsweek, Time, Etc. has already laid the Ground Work for the Committee to get me for Contempt, it would be Justify in Eyes of Public - Because it's a Question, Wallace Supporter, Bank Robber and assult to murder, and now around I have Contempt for Congress - plus Economist

the other Congressman would support the Contempt more Because of being called a Coward and Nation, if not. More, Because a Crook (Congressman) the 9th ~~Commission~~ Could have a filled day.

Why I Should answer about Rodgers

1) Kellman Statement is no good, He could not be Justified in Cross Examination, How he work will Match, In Trying my trial in the 2nd most place,

2) Hayne Statement no good, a perjurer, who let a innocent man to prison in first place

3 Roger Statement no good, Because he was convicted for a Robbery that another man admitted, Because they to things (and Should) Because in Fact Kid Rod Rod Rod

5) the U.S. Department of Justice do not want me to go into any of these filed trials. they would like to get me for contempt on Bank Robber, which would indicate guilt, without benefit of trial.

6) it would benefit me to show a pattern of filed trials on the part of the U.S. Dept. of Justice. for to have them to convict me on the eyes of perjury on suspicion, as the asst. Com. has done three times now Writer.

7) I would be playing into Justice Department hands if refuse to answer any questions.

8) why I wasn't cited for contemp the last time because I answer all questions. this left the only avenue open to them was perjury, which they cannot prove.
